STUDENT AND ALUMNI FEEDBACK REPORT 2022-2023

INTRODUCTION

Maharaja Ranjit Singh College of Professional Sciences, Indore affiliated to Devi Ahilya University, Indore offers various UG and PG courses like B.Com., B.Sc., BBA, BCA, BA, M.Sc., M.Com. The Internal Quality Assurance Cell (IQAC) of the college has continuously been working on improving the quality of college facilities for the betterment of students and alumni. Therefore, a feedback form was circulated amongst all the current students and alumni and alumni of the college. This report focuses on the analysis of feedback forms received from the students and alumni.

DATA COLLECTION AND ANALYSIS

An effort was made to receive feedback from all the students and alumni who are currently studying in the college. For this purpose, a google form was created and sent to students and alumni. A total of 543 responses were received from the students and alumni' community. The analysis of feedback forms was performed using statistical tools like percentage, pie chart and bar graphs.

FEEDBACK ON LABORATORIES AND LIBRARY

The responses of students and alumni regarding the laboratory and library facilities of the college were recorded from the feedback forms. It was found that 78% students and alumni are completely satisfied with the number of laboratories present in the college. Majority of the students and alumni were also completely satisfied with the number of equipments, glasswares and chemicals in the laboratories and they agree that all the laboratories of the college are well maintained and spacious. The students and alumni also agree that the lab staff is extremely cooperative and helpful.

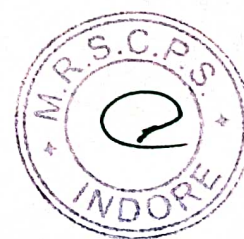

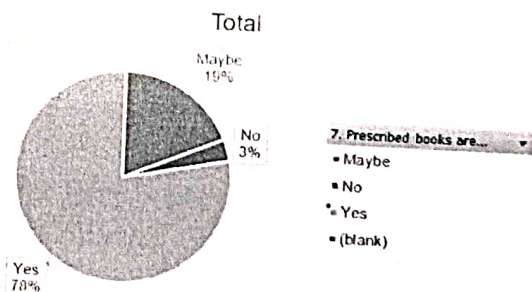

Similarly feedback on library and library staff was also recorded and analyzed. More than 78% of the students and alumni said that there is ample number of books available in the library according to their prescribed syllabus and only few students and alumni feel that there should be a greater number of books in the library. Also, the students and alumni were happy that library staff is kind and cooperative.

Laboratories and library are essential part of an institute and is a requisite for superior learning and skill development in students and alumni. This college provides well equipped laboratories for practical learning approach and the library is loaded with reputed books of international and national origin for conceptual learning of the students and alumni.

Count of 4. There are adequate number of laboratories available.

Count of 7. Prescribed books are available in the library.

FEEDBACK ON COLLEGE FACILITIES

The students and alumni' response on facilities of the college like cleaning of washrooms, availability of drinking water, organizing of cultural events, educational tours and guest lectures and presence of sports facilities was recorded. The feedback forms were analyzed and it was found that more than 89 % students and alumni were contented regarding the facilities provided by the college. The students and alumni are assured that clean drinking water is available throughout the campus and washrooms are always clean and maintained hygienically. Thus, the college offers safe and hygienic campus for the students and alumni and follows the protocols for Covid-19 safety measures. Most of the students and alumni are happy with the number of cultural events and educational tours organized by the college. These events help in providing them platform to show and enhance their extra-curricular skills, hence helping them in overall grooming and personality development. Besides, students and alumni also witness various expert lectures organized from time to time to develop their additional knowledge. The students and alumni also feel that office staff of the college is helpful and supportive.

Count of 20. Sports activities are available in the college.

Count of 17. Cultural activities are organised in college campus.

Count of 16. You get enough chances to express your talent.
