Hello Sheetal,

Greetings from FTI !!

This has reference to students of Maharaja Ranjeet singh college came for Interview to our office

Prima facia we selected five students-

1. Himanshu Jain
2. Kyati Jaiswal
3. Ruchi Dubey
4. Deepali
5. Deeksha

Please inform them and show our letter so that interested candidate can come for second round for interview.

Looking forward to your reply.

Regards
Renu Sanghvi

Prof. Sheetal Bhasin
Head, Deptt of Biosciences
Maharaja Ranjit Singh College of Professional Sciences
Indore

Dear Madam,

I have had the opportunity of recruiting a few of your ex-students from microbiology/biotechnology stream for microbiology work in my clinical laboratory at Greater Kailash Hospital. As I am commissioning a state-of-the-art Clinical Microbiology lab at Medicare Hospital, I am looking for some of your bright students from M.Sc Microbiology/Biotechnology who are about to be graduated. I would be glad to interview them and if found suitable, to appoint them as Jr. Microbiologist to work in Clinical Microbiology at our hospital.

The student will be expected to have sound concepts as well as practical experience of media preparation, autoclaving, general microbiological procedures like smear preparation, staining and examination, wet microscopy, inoculation, incubation, colony description, biochemical & serological identification, antibiotic sensitivity testing & quality control in microbiology. Student should have good language command, computer skills and communication.

Kindly advise if I can interview a few select candidates from your institution for future appointments.

Regards

Dr. Suhas Nirkhivale
M.D. (Path & Micro)

LEARN | SERVE | DISCOVER SCIENCE

Nucleome Informatics Private Limited

Nucleome Informatics is the fastest growing next-generation sequencing and bioinformatics service provider in India with many academic and industrial customers worldwide. With a vision of learn, serve and discover science Nucleome has constantly thrived to provide revolutionary genetic analysis solutions for analyzing genomes, transcriptomes, metagenomes, and epigenomes data and products to fill the gaps of this fast-moving genomics research industry.

We have identified the requirement of candidates for the position of Genomics Application Specialist in Genomics Lab.

Please find the Key responsibilities and competencies for the candidates to be recruited.

Genomics Application Specialist – Genomics Lab - 1 Post (Hyderabad)

Key Responsibility

- Nucleic acid isolation from various organisms (Plant, Animal, Metagenomic and microbial samples).
- PCR techniques.
- Performing Sample and Library QC.
- Preparing Buffers and solutions for the lab experiments.
- Maintain a high level of quality in quality control processes.
- Implement and ensure strict adherence to quality control and quality assurance measures of NGS assays.
- Ensure timeliness of each project & reporting.
- Implement and adhere to external proficiency QC testing requirements.
- Ensure adherence to all regulatory laboratory guidelines in aspects of the day-to-day activities of the laboratory.
- Write and review all technical documents including SOPs, validation material, presentations, and publications.
- Prepare for and ensure all requirements for routine inspections by regulatory authorities are met.

#1 Nucleome Proposal by Dushyant Singh Bhatel
Dr. D. and Nigoskar Scholarship funded by Nucleome Informatics - principal@mrsccindore.org - MRSC of Professional Sciences, Indore

Dear Sir,

This is in reference to the scholarship we announced during my last visit to MRSC.

Lets find out the students who would like to apply for the scholarship of one year at Nucleome. The Students will be trained in every aspect of Molecular biology, bioinformatics, project management and business development departments based on their skillsets for a year and then if found suitable company will hire them as a permanent employee. After one year the salary will start from Rs. 18,000 per month in R&D and project management. Business development scholars will be paid Rs. 20,000 per month plus DA and incentives.

As of now, we shall be offering this opportunity to one student in R&D, one in project management and 3 in business development departments (Should be ready to travel).

Following will be the primary criteria for selection.

- MSc qualified with minimum 70% (all life science streams)
- Fresher with good lab and communication skills
- The student should be aware of basic biotechnology techniques and NGS technologies
- Recommendation letters from the professor. Min 03
- No preference will be given based on caste, religion or family background
- One cover note on why he/she should be selected for the scholarship
- After internal selection by MRSC, we will arrange an interview with Students to finalise the Scholars.

Scholarship

- One year scholarship worth Rs. 120,000 for one year (Monthly disbursement of Rs. 10,000 per student)
- Dedicated mentor for a year
- Exposure to industry and work culture
- Development of professional and technical skills to improve their skillsets
- Training on Basics of Next-generation sequencing techniques and data analysis
- R&D Training
 - NGS sample preparation
 - Quality Control
 - Basics of NGS Data analysis and reporting
- Project Management
 - HRMS portal management
 - Professional Communication
 - Project tracking
 - Reporting
 - Rate contracts and Tendering
- Business Development. Business development Scholars will be trained in Hyderabad for a week and then they will be stationed in Delhi, Bangalore and Chandigarh.
- The company will not be providing any accommodation or lodging in Delhi, Bangalore and Chandigarh.
- The company will bear the entire cost of official travel. DA of Rs. 300 per working day will be provided to manage the official expenses along with the Scholarship. The business development training will include
 - Lead Management
 - Sales Management
 - Client Management
 - Prospecting and Negotiation skill development
 - Proposal development
 - Tendering in Biotechnology industry
- If Scholars decide to leave the training before completion of year, He or she has to return the entire scholarship paid by the company.
